### WE ARE VERY EXCITED ABOUT YOUR PROJECT

We thank you the opportunity allowing us to be apart of your awesome web show project! We always come professional, in good spirit, and with full assurance of our commitment to excellence. Our crew is very experienced with a world of professional projects they have either led or assisted. Crew members also share duties with major networks such as HBO, Cinemax, and Bravo; so they can stay abreast to any new innovations in production strategy, technology, or techniques. We do not allow any new innovations to get away from us and we will always use our intelligence to coordinate the very best. We look forward to commencing this project and anticipate the success of the show to reach beyond measure! Again, Thank you!
